NOTE

The archaeological remains that were found, date from various years and consist of a variety of materials. After the tests, numerous relationships have been found between them, so the organization of this archive is made considering the anthropological significance to the additional study and opened to multiple investigations.

MISSING HOUSE,
ENTRANCE

Stone, mortar, unknown matter.
Multigrade RC perle photographic paper
exposed to the light, 18 x 24 cm.
Belongs to an anonymous album found
in a market of Clermont-Ferrand,

exposed to the light, 18 x 24 cm.
Found in the archives of Clermont-Ferrand,
France. Date from 2014, but shows some
damage from a fire in 2016.

page 18

Blocked to never be allowed to leave

Stone, metal, light, shadow, unknown matter.
Multigrade RC perle photographic paper
exposed to the light, 18 x 24 cm.
Found in the archives of Clermont-Ferrand,
France. Date from 2014.

page 19

was lost in a silence.

MEMORY

Stone, unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 28,5 x 19 cm.
Found next to a fountain in Bujalcalayado,
Spain. Date from 2016.

page 23

Birth sign.

Brick, cement, light, unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 24 x 16,7 cm.
Found in a corner of Madrid, Spain.

Date from 2016.

page 24

*The map that time drew with the
people who came and went.*

Unknown matter.

Instant paper exposed to the light, 8,5 x 10,7 cm.
Found in a box in the garbage in Amsterdam,
Netherlands. Date from 2016.

page 25

*The unknown ones who
someone missed.*

Unknown matter.

Bichromate gum emulsion on watercolour paper
240 grs. exposed to the light, 17 x 14 cm.
Found in a basement in Paris, France.

Date from 2014.

page 27

The accompanying double ghost.

Unknown matter.

Digital print in RC matte paper, 10 x 10 cm.
Found on a suburban street of Madrid,
Spain. Date from 2016.

page 29

What remained of all of them.

ROOTS

Asphalt, unknown matter.
Inkjet print on cotton paper, 118,9 x 84,1 cm.
Found in a file folder in Paris, France.
Date from 2014.
page 33

*The floor that someone layed to
cover that which was lost.*

Unknown matter.
Multigrade RC perle photographic
paper exposed to the light, 12,5 x 19,5 cm.
Found in the archives of Bayonne,
France. Date from 2016.
page 34

Gravestones of wounds.

Unknown matter.
Multigrade RC perle photographic
paper exposed to the light, 19 x 28,6 cm.
Found in a patio of Alcalá de Henares,
Spain. Date from 2016.
page 35

Scars were roots.

WOUNDS, MARKS

Unknown matter.
Multigrade RC perle photographic paper
exposed to the light, 17,8 x 12,7 cm.
Found in the archives of Clermont-Ferrand,
France. Date from 2014.
page 39

A predictable battle.

Stone, sand.
Instant paper exposed to the light, 8,5 x 10,7 cm.
Found in a box in the garbage in Amsterdam,
Netherlands. Date from 2016.
page 40

By quitting standing

Stone, unknown matter.
Multigrade RC perle photographic paper
exposed to the light, 23,2 x 14,8 cm.
Found in a corner of a square of Madrid,
Spain. Date from 2016.
page 41

traced a way.

WINDOWS

Stone, mortar, brick, metal, crystal,
unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 11,8 x 18,2 cm.

Found in the archives of Bayonne,
France. Date from 2016.

page 45

*Hiding behind, gazing beyond,
forbidden to go outside.*

Stone, iron, light, unknown matter.

Digital print in RC matte paper, 15 x 10 cm.

Found in a wine cellar in Madrid, Spain,
even though it is not. Date from 2016.

page 46

*The tunnel that was intended
as a escape...*

Stone, shadow.

Digital print in RC matte paper, 15 x 10 cm.

Found in a wine cellar in Madrid, Spain.

Date from 2016.

page 47

and it became a prison.

Stone, gypsum, water, air, shadow, light,
sky, unknown matter.

Digital print in RC matte paper, 15 x 9 cm.

Found in a wine cellar in Madrid, Spain, although
its origin is uncertain. Date from 2016.

page 49

The hospital where someone died.

Unknown.

Digital print in RC matte paper, 10 x 10 cm.

Found on a suburban street
of Madrid, Spain. Date from 2016.

page 51

Unknown matter.

REMAINDERS

Ice, wood.

Multigrade RC perle photographic
paper exposed to the light, 19,2 x 13 cm.

Found in a coffee shop under a table
in Irati, France. Date from 2016.

page 57

*Someone ask themselves
what is a refuge...*

Unknown matter.

Instant paper exposed to the light, 10,7 x 8,5 cm.
Found in a box in the garbage in Amsterdam,

Netherlands. Date from 2016.

page 58

and what is a home.

Unknown matter.

Instant paper exposed to the light, 10,7 x 8,5 cm.
Found in a box in the garbage in Amsterdam,

Netherlands. Date from 2016.

page 59

And that someone fell.

DOORS

Unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 19,7 x 13,2 cm.

Found in the archives of Bayonne,
France. Date from 2016.

page 63

*The mirror that could be
gone through.*

Stone, wood, light, shadow.

Instant paper exposed to the light, 8,5 x 10,7 cm.

Found in a box in the garbage in Amsterdam,
Netherlands. Date from 2016.

page 64

Evidence of an entrance.

Stone, metal.

Bichromate gum emulsion on watercolour
paper 240 grs. exposed to the light, 21 x 29 cm.

Found in a vacant lot outside of
Clermont-Ferrand, France. Date from 2014.

page 65

It was built upon the former walls.

Unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 17,8 x 12,7 cm.

Found in the archives of Clermont-Ferrand,
France. Date from 2014.

page 66

The sound of an explosion.

Stone, unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 24 x 17,6 cm.

Found under ground in Bujalcajado,
Spain. Date from 2016.

page 67

A path and glimmer of the horizon.

PLANS, MAPS

Unknown matter.

Instant paper exposed to the light, 10,7 x 8,5 cm.

Found in a box in the garbage in Amsterdam,
Netherlands. Date from 2016.

page 71

The chosen place.

Unknown matter.

Fujicolor glossy paper
exposed to the light, 8,4 x 8,2 cm.

Found in a train in Amsterdam,
Netherlands. Date from 2016.

page 75

The cloud imagined to be bricks.

Unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 28,5 x 19 cm.

Found under ground in Bujalcayado,
Spain. Date from 2016.

page 76

*The sky was the roof and the sun
its window.*

Unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 17,5 x 28,6 cm.

Found in a patio of Alcalá de Henares,
Spain. Date from 2016.

page 77

The trees were columns,

Unknown matter.

Instant paper exposed to the light, 8,5 x 10,7 cm.

Found in a box in the garbage in Amsterdam,
Netherlands. Date from 2016.

page 78

rafters,

Unknown matter.

Instant paper exposed to the light, 8,5 x 10,7 cm.

Found in a box in the garbage in Amsterdam,
Netherlands. Date from 2016.

page 79

and their branches the connections.

Unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 24 x 18 cm.

Found in the archives of Clermont-Ferrand,
France. Date from 2014.

page 80

*The top of one of them was drawn
in its dry walls*

Stone, unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 18,8 x 28,5 cm.

Found under the salt in Bujalcayado,
Spain. Date from 2016.

page 81

and the sea waves formed rooms.

LIGHT

Stone, gypsum, air, shadow, light,
unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 28,5 x 19 cm.

Found in Lanzarote, Spain. Date from 2016.

page 85

*Something seems to reveal itself
in the landing.*

Stone, shadow, light, unknown matter.

Multigrade RC perle photographic paper exposed
to the light, 16,5 x 12,9 cm.

Found under the salt in Bujalcalayado,
Spain. Date from 2016.

page 86

It reaches up to the living room.

Stone, wood, shadow, light, unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 23,7 x 18,4 cm.

Found under the salt in Bujalcalayado,
Spain. Date from 2016.

page 87

*Someone ask if that light will
reveal or hide that thing.*

EXIT

Unknown matter.

Multigrade RC perle photographic paper
exposed to the light, 12 x 19,2 cm.

Found in Saint Jean Pied du Port,
France. Date from 2016.

page 91

Found, perchance?

I explored the city
as an archeologist explores the earth.
In the deepest corners of the streets I searched
for traces of a memory preserved in its walls.

Traces of a hidden past and future mystery.
Those which the light revealed and the space
took in, those which revealed both the differences
and all the lines that join us together.
